# Order Form

*Order extra materials for your  
flu campaign!*

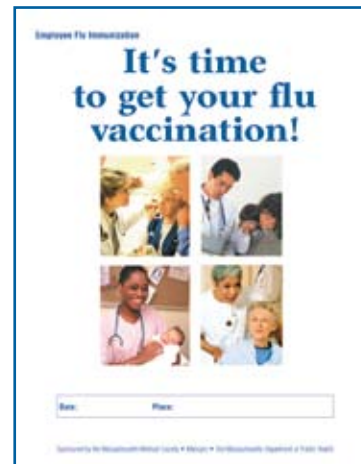

## Buttons and Stickers

Give away buttons and stickers to all flu vaccination recipients. Visibility throughout your facility will not only encourage other employees to get their flu vaccinations, but may also encourage visitors and patients to get one, too! *Free*

## Campaign Posters

Use posters to advertise your campaign. Space is provided to include dates and times of clinics. Posters come in large (16" x 20") and small (8.5" x 11"). Small posters are also available in Spanish, Portuguese, and Haitian-Creole. *Free*

## Reminder Tags

Place these tags across posters about six weeks into your flu campaign or in December. They remind everyone that flu season is still going strong and that they can still obtain the flu vaccination to protect themselves. *Free*

*To order, please complete and return the form located on the back of this sheet.*
