Join your colleagues for an impactful 3-day conference focusing on the changing world of healthcare. Day One will feature an educational program addressing the crisis of burnout and steps that can be taken to improve the well-being of health care professionals and their families! On Day Two we will hear from experts about the political landscape of medicine at the federal and state level. Day Three wrap up will provide an opportunity to learn about special national and state alliance initiatives. Throughout the 3 days there will be ample time for networking with colleagues and enjoying the history that Massachusetts has to offer.
