Join the MASSACHUSETTS MEDICAL SOCIETY ALLIANCE in supporting the FRIENDS OF BOSTON’S HOMELESS challenge to help reduce the danger to those on the streets this winter through the WARM HANDS WARM HEARTS WINTER APPAREL DRIVE.

We all put on gloves, hats, scarves, and a warm pair of socks every winter morning with hardly a thought, but for the homeless these items are often a luxury. By participating in Warm Hands Warm Hearts, you will not only help keep our community’s neediest, most vulnerable citizens warm and safe this winter, but you will also help maintain their dignity and comfort during this most difficult time of year.

It’s a simple and inexpensive way to make a lasting impact for the homeless women and men in our community.

Please Consider Donating at Least ONE NEW Winter Hat, Scarf, or Pair of Gloves, Mittens, or Socks.

A COLLECTION BASKET WILL BE LOCATED AT THE MMS ALLIANCE EXHIBIT DURING THE INTERIM MEETING ON DECEMBER 6, 2019.
