# FOCUS ON DHE&I Diversity, Health Equity, and Inclusion Best Practices Series

## **Power to Heal: Virtual Documentary Screening & Panel Discussion**

WEDNESDAY, NOVEMBER 17, 2021 FROM 6–7:30 PM ET

### PROGRAM OVERVIEW

As part of its commitment to champion diversity, health equity, and inclusion, the **Massachusetts Health & Hospital Association**, the **Massachusetts Medical Society**, and the **Massachusetts Chapter of the American College of Healthcare Executives** have partnered to develop a series of webinars that encourage dialogue and shared best practices.

Please join us in a screening of the *Power to Heal* documentary that details the historic struggle to obtain equal, affordable, and adequate access to healthcare for all Americans. Come learn about how the creation of Medicare catalyzed the desegregation of thousands of hospitals across the country.

Don't miss out on this opportunity to view a moving, poignant documentary that tells an important chapter in the historic struggle to secure equal and adequate access to healthcare for all Americans.

Following the film, attendees will have the opportunity to engage directly with a panel of local and national thought leaders via a live Q&A session.
