## **VOLUNTEER ACTIVITIES**

Describe the volunteer activities of the nominee and why you think he or she is deserving of this award. Be specific to distinguish volunteer responsibilities from other clinical duties the physician may perform. Include how long the physician has been performing these volunteer activities and approximately how many hours per week or month the physician devotes to this volunteer activity.

In keeping with the Committee on Senior Volunteer Physicians' mission to fulfill the health and education needs of patients throughout Massachusetts, consideration will be directed toward efforts involving direct patient care. The volunteer work must occur in Massachusetts.
