Sponsors: Noreen Siddiqi
Hasmeena Kathuria, MD
Faizah Shareef

Referred to: Reference Committee A
Mary Beth Miotto, MD, MPH, Chair

1. That the MMS advocate for mandatory consumer warning labels on e-cigarette product packaging that strongly convey the potential health risks including deadly lung disease. (D)

2. That the MMS advocate for continued research by appropriate entities such as the Centers for Disease Control and Prevention and American Lung Association investigating the health impact of e-cigarette products. (D)

Fiscal Note: No Significant Impact
(Estimated Expenses)
Estimated Staff Effort to Complete Directive(s) Ongoing Expense of $3,000
1. That the MMS recognizes the association between the use of gas stoves, indoor nitrogen dioxide levels, and asthma. *(HP)*

2. That the MMS will inform its members and, to the extent possible, health care providers, the public, and relevant Massachusetts organizations that use of a gas stove increases household air pollution and the risk of childhood asthma and asthma severity; which can be mitigated by reducing the use of the gas cooking stove, using adequate ventilation, and/or using an appropriate filter. *(D)*

Sponsor: Massachusetts Society of Addiction Medicine
Peter Friedmann, MD, MPH, President

Referred to: Reference Committee A
Mary Beth Miotto, MD, MPH, Chair

1. That the MMS states that current federal and state regulations of methadone for the treatment of opioid use disorder are overly restrictive and limit the clinically indicated use of methadone to treat opioid use disorder in the midst of the opioid crisis. (HP)

2. That the MMS will advocate for amendment of federal and state laws to reduce current restrictions on the use of methadone for the treatment of opioid use disorder; while balancing the urgent need for expanded access with considerations for safe practices. (D)

Fiscal Note: No Significant Impact
(Estimated Expenses)

Estimated Staff Effort to Complete Directive(s): Ongoing Expense of $1,500
3. That the MMS will advocate for implementation of effective models drawn from the experience of other nations and research evidence to expand access to methadone for the treatment of opioid use disorder. These models will include interim methadone in opioid treatment programs, office-based prescribing in collaboration with community pharmacists to dispense and supervise dosing; and prescribing and dispensing in emergency departments, hospitals, detoxification programs, skilled nursing facilities, home care settings, and other controlled environments (e.g., jails and prisons). (D)

Fiscal Note: No Significant Impact

Estimated Staff Effort to Complete Directive(s): Ongoing Expense of $1,500
That the Massachusetts Medical Society will sponsor an educational session that will explore decriminalizing the use of illegal drugs and their possession in amounts consistent with personal use only and consider the impact that this approach could have on the Commonwealth of Massachusetts. Health care providers, legislators, health care administrators, and law enforcement officials should be among those invited to take part in the session. (D)

The Committee on Bylaws recommends that the House of Delegates approve the following amendments to the Bylaws (except as otherwise noted, added text is shown as “text” and deleted text is shown as “text”):

**ITEM A:**

**CHAPTER 3 • District Societies**

• • •

3.21 Committee on Nominations Membership

Only delegates who have served as such for at least two years and have been members of the Society for at least five years are eligible to become members or alternate members of the Committee on Nominations of the Massachusetts Medical Society. Members of the Committee on Nominations shall serve one-year terms and shall not serve for more than eight total years as a member, after which they shall not be eligible for re-election. Alternate members of the Committee on Nominations shall serve one-year terms and shall not serve for more than eight total years as an alternate member, after which they shall not be eligible for re-election. Total years served includes all time served, regardless of when it was served, except that total years served shall not include time served filling a vacancy on the Committee on Nominations.

The eight-year term limit for members and alternate members of the Committee on Nominations shall become effective as of the close of the 2015 annual meeting of the Society.

Notwithstanding the foregoing, each district society may, by a three-quarter vote by ballot at its annual meeting, extend eligibility of a member or alternate member of the Committee on Nominations of the Massachusetts Medical Society beyond eight total years.
3.22 Committee on Legislation Membership

Members of the Committee on Legislation of the Massachusetts Medical Society shall serve one-year terms with a maximum of nine consecutive years. Alternate members of the Committee on Legislation of the Massachusetts Medical Society shall serve one-year terms with a maximum of nine consecutive years.

Notwithstanding the foregoing, each district society may, by a three-quarter vote by ballot at its annual meeting, extend eligibility of a member or alternate member of the Committee on Legislation of the Massachusetts Medical Society beyond nine consecutive years.

CHAPTER 11 • Committees

11.01 Term and Qualifications of Committee Members

Committee members elected by districts shall serve for one year terms with a maximum of nine consecutive years, unless otherwise specifically provided in these bylaws set forth in 3.21 and 3.22.

11.0411 Committee on Legislation

The Committee on Legislation shall be composed of a chair and a vice chair, both appointed from among the committee members by the President-elect and one member and alternate from each district society as provided in 3.14 and 3.22. When an immediate decision is needed concerning legislative action, the decision shall be made by the President (or in the absence of the President, by the President-elect; or in the absence of the President and President-elect by the Vice President) in consultation with the committee chair (or in the absence of the committee chair with the vice chair) of the Committee on Legislation. The chair of the Committee on Legislation shall report this decision to all members of the committee.

**ITEM B:**

**CHAPTER 7 • Board of Trustees**

7.08 Committee on Finance

The Board of Trustees shall have a Committee on Finance, which shall consist of nine members each of who shall have been a Regular member of the Society for at least five years. Of these nine members, at least five must be current trustees. In addition, the Secretary-Treasurer and the Assistant Secretary-Treasurer shall each be a member ex-officio of the Committee. In addition, one member of the Medical Student Section and one member of the Resident and Fellow Section shall be a member of the Committee, but neither shall be included in the determination of the number of members to which the Committee is entitled.
