VIRTUAL 2020 INTERIM MEETING

NOVEMBER 7 and DECEMBER 5

Register online today | massmed.org/interim2020/register

Online registration for the virtual 2020 Interim Meeting is now open.

Please note that this year's Interim Meeting sessions will be held virtually on non-consecutive dates.

Registrants will need an [MMS online account](#) (most members have an account and use this login to access the MMS website). Should you forget your MMS password, you may reset it using the [Forgot password](#) link. All registrants will have a custom experience and will **need to register separately**.

After you log in, the registration form will auto-populate your contact information and walk you through each step. Once you have registered, you will receive a confirmation email with your event agenda and Zoom login details for the sessions you registered for. You can easily modify your registration at any time.

Check Your Tech

Whether you are a “newbie” to [Zoom](#) or even a “pro”, we encourage you to make sure you have the latest version of Zoom installed on your computer, and familiarize yourself with the settings—**ahead of time**—so that you can fully participate in the sessions.

Not familiar with Zoom? We will be providing “Check Your Tech” sessions in advance of the meeting. Please visit the [FAQ page](#) on our website for Zoom information and resources.
