

MASSACHUSETTS MEDICAL SOCIETY

Every physician matters, each patient counts.

Special CHC Group Partner Program

Your Partner. Your Voice. Your Medical Society.

The Massachusetts Medical Society's mission is **to enhance and protect the physician-patient relationship and preserve the physician's ability to make clinical decisions for the benefit of patients**. Learn more about MMS advocacy: massmed.org/advocacy.

Selected Legislative and Regulatory Priorities

- Promote accessible and affordable care
- Address the impacts of social determinants of health for all people
- Make prescription drugs affordable and available
- Reduce opioid overdose-related morbidity and mortality
- Reduce prior authorizations, step therapy, and other regulatory requirements
- Mitigate physician burnout and health care workforce shortages
- Protect patients from surprise billing

Special Membership Offer

The Massachusetts Medical Society is pleased to offer significant membership savings to physicians whose **primary place of practice** is a **community health center recognized by the Massachusetts League of Community Health Centers**. Visit massmed.org/dues.

\$150

New member discount code required

Contact: mmsprocessing@mms.org or call call (617) 841-2925.

Current MMS CHC members do not need a code and will automatically receive discount. District medical society dues are required and range from \$50 to \$200.

MMS Member Advantages

- 1. Help shape the MMS policy and advocacy** agenda through district, committee, and section engagement.
- 2. Network and collaborate** with many of our 25,000 physician, residents/fellows, and medical student members across specialties and practice settings.
- 3. Advance your clinical expertise** with full access to digital subscriptions of the *New England Journal of Medicine* and *NEJM Journal Watch Online*.
- 4. Enjoy 50% off high-quality CME** to meet your licensure requirements and discounts to attend signature programs such as the Annual Education Program, NEJM Shattuck Lecture, Ethics Forum, and our inaugural Future Health: Best Practices for Advancing Care conference in March 2023.
- 5. Receive exclusive member discounts** from our preferred corporate partners, which include banking, travel, and other business services.
- 6. Invest in the future of the medical profession.** Your membership support allows the MMS to offer free membership to Massachusetts medical students and provides over \$100,000 in scholarships and grants. The MMS and Alliance Charitable Foundation also awards grants and funding to local organizations that strive to increase quality health care in our communities.

Group Enrollment Option

Offer your physicians a membership in the MMS as **an employee benefit**. We will calculate your custom dues rate for your group and submit one invoice to simplify billing.

For more information, email groups@mms.org or call (617) 841-2925.

From policy to education, we address critical issues impacting physicians and patients to improve health outcomes and ensure long-term sustainability of the medical profession and practice.
