MEDICAL SOCIETY
Every physician matters, each patient counts.

Physician Group Enrollment Options

Eligible for five or more physicians in a group.

ABOUT THE MASSACHUSETTS MEDICAL SOCIETY (MMS)

With 25,000 members, the MMS represents physicians, residents, and medical students across specialties, practice settings, and organizations. The Society is:

- The largest physician-led medical society in Massachusetts, representing the collective voice of physicians
- The publisher of the *New England Journal of Medicine* and NEJM Group journals and products with a long-standing commitment to advance medical knowledge and improve care

ORGANIZATIONAL BENEFITS

In 2013, the MMS established a program allowing groups of five or more physicians to join and save on the cost of membership. Several of our current organizational members include Atrius Health, UMass Memorial Medical Group, North Shore Medical Group, and Reliant Medical Group.

► Brand Affiliation and Physician Member Savings

In a competitive marketplace, employers like you seek to attract and retain top physician talent. Your affiliation with the MMS signals to physicians that their voice matters and that you value high-quality care. You will receive:

- Up to 30% savings off regular state dues, currently \$450/year
- Corporate vendor discounts
- Group practice support
- Health care policy alerts and information

► Continuing Medical Education and Professional Development

The MMS supports physicians throughout their professional journey. We offer:

- High-quality online programs to meet licensing requirements and address emerging health topics
- Evidence-based educational activities and programs to meet skill gaps, improve clinical practice, clinical decision-making, promote quality patient outcomes, and safety on your health care teams
- Mentor/mentee opportunities with our new mentoring platform

INDIVIDUAL PHYSICIAN BENEFITS

Members enjoy benefits valued at \$1,000 plus, which include:

- **Digital subscriptions to gold-standard publications:** *NEJM*, *NEJM Journal Watch Online*
- **Engaging CME** to meet licensure requirements at significant savings
- **Leadership development** through committee participation and governance
- **Grassroots advocacy** and MMS policy formation
- **A community of peers** and mentors for collaboration and networking
- **Access to physician health services** for confidential coaching and support on health and well-being
