Bring the MMS to Your Group

Strengthen Your Voice. Multiply Your Impact.

You already know the value of MMS: strong advocacy, trusted education, and connection to dedicated physician leaders. Now imagine that impact multiplied across your entire group. With group enrollment options, you can help your colleagues gain meaningful benefits while strengthening the Society's influence and leadership presence in Massachusetts.

Benefits for Your Group Practice:

Support your physicians while strengthening your organization.

- **Advocacy and Autonomy** — MMS delivers legislative influence, expert testimony, and lobbying to address public health and practice sustainability.
- **Financial and Operational Support** — MMS corporate partners and programs help resolve payer issues, reduce costs, streamline operations, and save patients money.
- **Up to 30% Savings on State Membership Dues** — Groups with 5+ physicians receive significant savings on state dues.
- **MMS Brand Advantage** — Send a strong message to physicians and patients about your commitment to health care quality and advocacy.
- **Talent Development** — Physicians build leadership skills through governance, committee roles, CME, and leadership programs.

Benefits for Your Physicians:

Every physician in your group receives \$1,000+ in value.

- **NEJM.org** and **clinician.nejm.org** digital subscriptions
- **50% savings** on online CME, signature, and leadership programs
- **Leadership opportunities** through MMS committees and districts
- **Mentoring** and employment resources
- **Grassroots advocacy and representation** at the state and national level
