

MASSACHUSETTS  
MEDICAL SOCIETY

## Welcome to Your MMS Member Benefits

*We are your advocate. Your partner.*

Whether you are new to MMS or a longtime member, we are here to help you make the most of your membership. The MMS is more than an association; we are your professional home in medicine.

### 1 Advocacy That Protects You and Your Patients

VALUE: \$1,000+

Through legislation, testimony, and grassroots advocacy, we champion key issues, including:

- Physician payment and practice protections
- Mental health, reproductive health, and public health equity
- Scope of practice, administrative simplification, and prior authorization reform

### 2 Expert Practice Support

VALUE: \$1,500–\$10,000+

Professional guidance for complex practice challenges such as:

- Licensure, credentialing, and billing issues
- Medicare, MassHealth, and health plan payments
- Regulatory and compliance guidance

### 3 Premier Clinical Education and Lifelong Learning

VALUE: \$1,000+

Stay current with trusted, high-impact education:

- Digital access to NEJM.org and JWatch.org
- 300+ CME activities and webinars
- Significant savings on MMS signature programs and conference

### 4 Professional Services and Protection

VALUE: \$500–\$5,000+

Support when you need it the most:

- Legal Advisory Plan (LAP) for BORIM matters
- Practice and liability insurance options through Actuate Insurance
- Confidential support through Physician Health Services

### 5 Leadership, Community, and Giving Back

VALUE: PRICELESS

Be part of something bigger:

- Join committees, sections, and AMA delegations to amplify your voice
- Connect with peers at events or through our mentoring program
- Support scholarships, grants, and charitable giving

### 6 Exclusive Member Discounts & Solutions

VALUE: THOUSANDS IN SAVINGS

Explore exclusive discounts with our corporate partners:

- Save on loan options, employment contract reviews, and business services

MASSACHUSETTS  
MEDICAL SOCIETY

**Lead. Connect. Contribute — On Your Terms**  
*Shape the future of medicine in Massachusetts.*

Whether you have five minutes or five hours, your voice matters. The MMS offers flexible, meaningful ways to connect, contribute, and lead — all in ways that work best for you.

### Choose How You Engage and Shape MMS Priorities

- **SECTIONS** — Align with peers based on your identity or career stage
- **COMMITTEES** — Shape policy, education, and public health based on interests
- **REFERENCE COMMITTEES** — Review testimony and inform House decisions
- **LEADERSHIP ROLES** — Represent your section, district, or committee
- **DISTRICT OPPORTUNITIES** — Connect and lead in your region
- **POLICY RESOLUTIONS** — Bring new ideas to the table for review and discussion
- **HOD TESTIMONY** — Use your voice to make change

Members and districts present resolutions, while sections, committees, and task forces present reports proposing new policies and directives at the Interim and Annual Meetings of the House of Delegates (HOD).

*“My active involvement on the Committee on Public Health (CPH) has proven most rewarding. CPH allows us to meet with Department of Public Health members and provide real-time input on issues affecting frontline physicians and patients. Having a voice in state-level policy is crucial, and the MMS offers me this incredible platform for change.”*

Caitlin Farrell, DO, MPH
