Membership in one of the Massachusetts Medical Society's 20 District Medical Societies is also required for in-state members. You may join a district based on where you work or live. Dues range from \$50 to \$200. See reverse side for District Medical Society dues.

\*For eligible physicians whose primary employment is a community health center recognized by the Massachusetts League of Community Health Centers.

### **<sup>†</sup>Seniors dues eligibility:**

Eligible members are those who have been Regular members for five consecutive years prior to the request, whose dues and assessments have been paid or 10 remitted, and (1) who have either attained **age 65** and retired from active practice, or (2) have attained **age 72** and carry on a practice workload of 20 hours per week or less. The attainment of the specified age must be prior to January 1 of the current year. Requests for the senior dues classification shall be made in writing.

Members in the Senior dues classification who have attained the **age of 80 in the prior calendar year** are not subject to Massachusetts Medical Society dues or assessments but are subject to such dues and assessments as may be levied by their district societies.

<sup>‡</sup>Residents and Fellows who enroll as part of an accredited group are eligible for FREE membership.
