

## 10 Ways to Maximize Your MMS Membership

*Learn. Engage. Act.*

We are delighted you are a member of our Medical Society. To leverage all the opportunities the MMS offers, we encourage you to get involved in ways that fit your schedule and interests.

1

**Follow** us on our social media channels and engage in online discussions.

2

**Attend** an event or meeting hosted by your District Medical Society and meet others in your community.

3

**Participate** in an activity organized by the Member Information Network (MIN) where you will explore the arts, history, humanism, and culture.

4

**Join** an MMS committee, section, or task force and take on a leadership role or participate in critical mission-driven work of the Society.

5

**Register** for one of our signature CME events or online programs to learn from experts and maintain your certification.

6

**Sign in** to your NEJM account and access landmark research and clinical insights.

7

**Participate** in our advocacy call-to-action campaigns to advance better federal and state health care legislation.

8

**Engage** in MMS policy formation and submit testimony at the Interim or Annual Meetings.

9

**Participate** in our physician volunteer opportunities or support the Massachusetts Medical Society and Alliance Charitable Foundation.

10

**Refer** a colleague to join the MMS and expand the voice of physicians.
